

As a result of the recent acquisition of Fleet Bank by Bank of America, our building is being integrated to the Bank of America national security ID system. Thus, new building ID access cards are needed for all Members. To help us expedite this process, we need to verify your personal information on file. Kindly complete and return this form to the Club via fax to 617.261.9640 or leave at the Club's reception desk.

Due to the high cost of the new system building ID access cards, only one complimentary card will be issued to the Primary Member. Additional cards for your spouse or dependents, or to replace a lost or stolen card will cost \$10 each. Please note that access to the Club will be allowed without a new building ID card, but both a photo ID and BC Club Membership card will need to be presented to the lobby security. Lastly, please be advised that the building ID access card is to be returned to the Club, when and if I should choose to resign my Membership from the Club, or a \$25 replacement fee per card will be added to my final Membership statement.

Thank you for your support and patience with this important initiative and we apologize for any inconvenience that may be caused during the transition. Please contact the Club at 617.946.2828 should you have any questions or concerns.
