# Testimonials

**“What an amazing venue!** We booked The Skyline Club for our wedding reception after looking at other downtown venues. The Skyline Club was hands down our favorite! The view is amazing and a perfect place to show off Indianapolis to out-of-town guests. We were always treated so well whenever we visited and the value is exceptional compared to other downtown venues. The food is top-notch and the service outstanding. Our guests are still telling us how delicious their steak was and how wonderful the staff were! Kaitlyn was great to work with and worked really well with my vendor team. We can't thank the staff enough for helping us throw a pretty amazing party!”

**“I wish I could give Skyline Club a higher rating!!** So many of my guests commented on how lovely and wonderful the reception venue was. We had a lot of out of town guests and wanted to showcase the city of Indianapolis - what better place than the Skyline Club. Kaitlyn did an outstanding job with communication throughout the whole process. She was so prompt and thorough when answering my emails. We had a wonderful evening at the Skyline Club and encourage other engaged couples in the Indy area to check it out before booking anywhere else!”

**“Book this venue now!!** My wedding was absolutely perfect, beautiful & the staff was so kind and accommodating. I couldn't have asked for anything more!!! Our family & friends raved about our venue. I was so proud to show off Indy at the Skyline Club. My mom raved about the Skyline Club all through the whole process. Everything went off without a hitch...just perfect!!! You won't find a better wedding experience anywhere else!”

**“One word: amazing!** We were treated wonderfully from the first day that we took a tour of the venue. The staff, the view, the food and the service are excellent. The private event directors and their staff could not have been more accommodating and they made everything so beautiful for us. People always say how stressful planning a wedding is and this venue actually made it so easy going for us. I cannot count the amount of times staff came up to me thru out the evening and asked if everything was ok or if we needed anything. We got so many compliments from our guests, some even saying that it was the best wedding reception they have ever been to. I will recommend this venue to every person I speak to, it is absolutely exceptional.”

From the second we walked off the elevator, we were in awe of the beauty and classy feel of the space!! They were honest, genuine, and so easy to work with. Through our entire planning process with the private event directors, EVERYthing went smoothly, flawlessly, and easily. There were no add-on fees, we had access to different rooms on the floor through the whole night, and our guests loved the reception! **Really, the perfect space for a wedding reception!**”
