My Club.

At Anthem Golf & Country Club, **TAKE 50% OFF* YOUR À LA CARTE DINING**...enjoy a round of golf...explore your business connections...all within the escape of your own private haven, absent from the hectic pace of today's world!

Golf

The Sonoran Desert, saguaro cacti and beautiful foothills provide a lush backdrop for Anthem's 36 holes of golf. With two courses, two golf shops and two full golf practice facilities, the Club is ready to take on the most passionate of golfers. The Persimmon and Ironwood courses, both designed by Greg Nash, are true desert layouts featuring large rolling greens and dramatic elevation changes. Encounter everything imaginable in the span of a round including uphill, downhill and side hill lies.

Fitness, Tennis, Swimming and More

Our tennis facilities and programs are among the finest in the North Valley. Enjoy nine post-tension hard courts, with three at the Persimmon Club facility and six at the Ironwood Club facility. For fun and fitness off the court, families splash and play at the resort-style Ironwood pool while serious swimmers can do laps at Persimmon's pool. Work out at both locations with two state-of-the-art fitness centers. At the end of the day, the spa awaits with an array of therapeutic treatments for relaxation.

Dining and Private Events

Grab a drink and watch the desert sunset, gather a group of friends for a nice dinner or treat the family to lunch between activities at the Club. We also host private events in a variety of exquisite rooms across both locations.
