

*Words cannot express how beyond...*

satisfied and impressed with Mia's communion at Willow Creek Country Club. The staff executed everything perfectly and turned my vision into a beautiful reality! From the set up that I know was very consuming to the patience they had with me I am amazed and extremely appreciative! I put it in your capable hands and I'm glad I did. I'm not a trusting person but now that I know what I know about you and your staff from this experience I can easily say Willow Creek was the best place for Mia's communion and for any future event. I have recommended you to everyone but the service spoke for itself because all my guests raved about the venue. Athena and the wait staff were beyond attentive and Tom was a delight to all the guests at the bar! They made the night go so smoothly! I wish you could have been there to see me finally relax! Once I walked in and saw how beautiful everything was all my stress washed away. I would totally choose Willow Creek again and again!
