CLUBS + COMMITTEES

UNIVERSITY CLUB BOARD OF GOVERNORS

The purpose of the University Club Board of Governors is to provide appropriate procedures to insure that the University Club of San Diego maintains an active, vital, diverse and representative Board of Governors. In doing so, the template will also be laid for the successful organization of specific Member committees. The role of the University Club Board of Governors is to enrich the quality of their fellow Members' lives and to be a powerful force for good by connecting influential leaders, enhancing professional success, deepening personal and family fulfillment and, together, improving our communities.
