Introduction

Welcome to the GMMO summer swim team! You have joined a great program, and we want you to have the best experiences possible this season. Please take the time to carefully read through this handbook. Inside you will find a season calendar, practice schedule, information on swim meets, and general meet and swim team guidelines and rules. If you have any questions regarding the program, please feel free to contact any member of the GMMO Swim Team Coaching Staff.

Through swimming, one can learn self-discipline, goal setting, and confidence. Our goals as a team are to create a safe atmosphere in and around the water, foster a true sense of team among all club participants, and to have fun!

Sign Ups

Registration forms for all clubs can be completed at
<https://forms.gle/EcA6mC8EZ9fW95ZC9>

If for any reason you wish to cancel your registration, the deadline to do so is June 19th. Please note that no refunds will be made for any registrations cancelled after this date.

Swim Team Apparel

Each swim team member participating in meets must have a GMMO Swim Team suit and a team cap. GMMO Swim Team t-shirts will be given to each GMMO swimmer and are included in the registration fee. There will be several other swim team items available for purchase (sweatshirts, sweatpants, backpacks, etc). Informational flyers containing a link to submit apparel orders online will be available at all pre season meetings and at all club pool locations. Links will also be sent out by email. To ensure the arrival of your apparel by the first meet, orders must be submitted by May 11th. A second round of late orders will be placed the first week of the season. Please contact Lindsey Palasek with any questions.

Weekend Clinics

We will offer optional stroke and skill clinics every other weekend throughout the season. Clinics are from 10:00AM - 11:00AM at all GMMO clubs. Swim Team members are welcome to attend weekend clinics at any GMMO club.

Saturday, June 13th @ Golden Valley Country Club

Saturday, June 27th @ Minneapolis Golf Club

Saturday, July 18th @ Medina Golf and Country Club

Weather Closings

There is no practice if there is severe weather in the area. *You will be notified by e-mail if practice or a swim meet is canceled for any reason.* If you have a question regarding practice times or cancellations, please contact the club pool where practice is being held.

Swim Meets

All GMMO Swim Team Members are encouraged to attend swim meets. All meets are intended to be a positive competitive experience in a friendly atmosphere.

- Meets are held every Wednesday throughout the season
- Meets begin at 11:00AM and last between 3-4 hours
- “Home” meet warm-ups are from 10:00–10:20AM and “away” meet warm-ups are 10:20–10:40AM
- All swimmers will be given a list of their individual and relay events upon arrival at the meets
- There will be NO practices on Wednesday meet days at any GMMO club
- All swimmers need to bring their team suit, cap, goggles, sunscreen, water bottle, towel, as well as extra clothing and additional sun protection. Some swimmers choose to bring books, games, and other activities, as swim meets can get long
- Swimmers must find their own transportation to and from all meets

Meet Schedule

Thursday, July 23rd – Junior Champs @ Eden Prairie Community Center

Friday/Saturday, July 24th-25th – Champs @ Eden Prairie Community Center

GMMO has the honor of hosting both our Champs AND Junior Champs meets this year, so clear your calendars for July 23rd-25th. It’s going to be an exciting and fun-filled week!

Championship Meet / Junior Championship Meet

At the end of the season, the Western Swim League holds two Championship Meets (Champs and Junior Champs). Three swimmers per age category per individual event are invited to the Championship Meet based on the season’s top times. Because timing is done by hand using stopwatches and times from certain meets must be converted from meters to yards for comparison purposes, swimmers’ times are not always precise. As a result, coaches may use their discretion when creating the meet lineup based on what they believe to be best for the team overall. Relay lineups will be based on the fastest combination of swimmers, using season-best times. Under Western Swim League rules, no swimmer is allowed to participate in more than four events at the Championship Meet. Consequently, some swimmers will not be able to participate in as many events as they may have qualified for. In such instances, the coaches will determine in which events the swimmer will be entered, based on what they believe to be best for the team. At certain times, the coaching staff may elect to ask swimmers to swim above their age group on relays in order to collect relay placements and the associated points. In such instances, priority will be given to swimmers who have only qualified for one event at the Championship Meet, in order to give them an additional opportunity to participate. All swimmers that do not participate in the Championship Meet will be invited to attend the Junior Championship Meet.

Meet Events

Below is a traditional list of swim team age categories and events. All swimmers are **REQUIRED** to swim in their appropriate age category unless moved up by a member of the coaching staff. Swimmers with the top times will be chosen to swim in team relays. In some circumstances, GMMO will enter more than one relay team (B, C, etc.). In this case, there is a chance more swimmers with higher times could be chosen to participate in relays. A list of relays will be posted at the meet check in board. Swimmers are allowed to swim in up to four individual events each meet, in addition to relays. As a reminder 25 is one length of the pool and 50 is two lengths of the pool. Pool lengths are measured in both meters and yards. Times are converted in our swim meet records software system.

INDIVIDUAL EVENTS:

6 and Under	25 fly	25 back	25 breast	25 free	
8 and Under	25 fly	25 back	25 breast	25 free	
10 and Under	25 fly	25 back	25 breast	25 free	
12 and Under	25 fly	50 back	50 breast	50 free	100 IM
14 and Under	50 fly	50 back	50 breast	50 free	100 IM
17 and Under	50 fly	50 back	50 breast	100 free	100 IM

RELAY EVENTS:

Crescendo Relay (Freestyle Event - swimmers ages 8 to 17 swim in age order from youngest to oldest)

8 and Under 100 Free Relay (All 4 swimmers swim freestyle)

10 and Under Medley Relay (4 Swimmers swimming in order backstroke, breaststroke, butterfly, freestyle)

12 and Under Medley Relay (4 Swimmers swimming in order backstroke, breaststroke, butterfly, freestyle)

200 Mixed Relay (4 Swimmers swimming in order backstroke, breaststroke, butterfly, freestyle – males and females swim together – can have up to two male swimmers)

General Swim Meet Rules

Please email the team Administrator or a member of the coaching staff if you are going to be absent from a meet. **It is VERY IMPORTANT that we know when swimmers will be absent from a meet AT LEAST the Monday before the meet date.**

Please arrive BEFORE the warm up time. Check in at the check in board by highlighting your name.

WSL swim meets follow the Minnesota State High School League rules for disqualifications. Disqualifications may be called for a number of reasons, including the following:

- Touching the bottom of the pool
- Starting too early
- Doing the wrong stroke
- One hand touch on breaststroke or butterfly
- Rolling over onto your stomach on backstroke
- Doing the wrong kick / hand stroke (This is especially common when a swimmer first dives in.)
- Moving on the starting block before the start signal (The first time this happens, all swimmers will be called back to “redo.” After that, the swimmer will be disqualified for a false start.)

*Please do not approach an official to inquire about disqualifications.

Picture Days

All GMMO Swim Team Members will have the opportunity to have their photo taken as both a whole team and as individual swimmers. We HIGHLY encourage you to come to picture day even if you do not plan on ordering prints so that a true team photo can be taken. The team picture date will be announced at the start of the season.

Awards

All GMMO Swim Team Members will have the opportunity to earn awards for their achievement.

- Personal best ribbons will be given to each swimmer that improves their personal time after each meet. These ribbons will be handed out during practice the Friday after each meet.
- Place ribbons will be given to swimmers placing first through sixth in each swim meet event. These ribbons will be handed out during practice the Friday after each meet.
- If your child earns a personal best ribbon or place ribbon but does not attend Friday practice when ribbons are distributed, you may ask coaches or pool office staff for your ribbons the next time you are at the pool.
- Heat ribbons will be given to the winner of each heat at every meet. Swimmers are seeded by coaching staff according to times.
- End of season awards will be given to each swimmer at the end-of-season banquet.

Banquet

There will be a post-season banquet in which swimmers and families from all four GMMO clubs will get to come together to celebrate their season. It will be a buffet style dinner with awards and a post-season video. We ask that parents, nannies, and friends and family of GMMO take photos during the year to showcase at this banquet. We encourage ALL swim team members to attend this event!

**The all-team banquet will take place at Golden Valley Country Club on
Sunday, July 26th at 6:00PM**

Family Volunteer Responsibility

Swim meets cannot run successfully without the assistance of our member families and friends. We need MANY volunteers at each of our home meets in order for things to run smoothly. **Because of this, each family with a child on the team is required to volunteer for at least ONE volunteer shift.** A volunteer shift consists of one half of one of our home swim meets. **Families with multiple children on the team are asked to volunteer for TWO volunteer shifts.** This can be at two different meets or two slots within the same meet. **Please note that if your child is selected to participate in the Championship Meet, you will also be required to volunteer here in some capacity.** Volunteers can include parents, nannies, older siblings, neighbors, grandparents, etc. Volunteer sign ups will be sent out via email at the start of the season.

Any family that does not fulfill their volunteer responsibility or does not show up for a shift they have committed to will be charged an additional fee of \$150 at the end of the season.

Eligibility – Per the Western Swim League Bylaws

Participating club members' children and grandchildren and coaches' children (exhibition only, unless they are members) 17 years and under are eligible to swim in the Western Swim League (swimming age group will be determined by the swimmer's age on May 31st).

Swimmers may not swim or practice on any other team, swim school, or local community program as of June 7th. Swimmers are allowed to participate in two non-WSL meets during the country club season (including MRC's) and may swim attached to their club team. The penalty for an active USA Swimmer that competes in the WSL will be the forfeiting of all points and awards in the WSL that season. Swimmers are also allowed to attend and participate in one swim camp or clinic outside of their country club team.

On those years when the USA Swimming State Meet falls on the same weekend as the WSL Championship, swimmers may participate in two USA Swimming meets and the USA Swimming State Meet within the country club season.

Swimmers must swim in two WSL dual meets to participate in the championship swim meet.

GMMO Code of Conduct

As a GMMO swimmer, or a parent(s) of a GMMO swimmer, I understand and will abide by this GMMO Code of Conduct and agree that any violation of the rules is subject to disciplinary action.

1. Because our children learn from our example, we as parents, coaches, and fellow swimmers need to exemplify the highest level of sportsmanship by supporting all swimmers, coaches, referees and parents.
2. We will work together to teach swimmers how to behave like a champion when the swimmer has both a "good" and a "bad" swim. Respect for officials, congratulations to other competitors, encouragement to teammates, determined effort, and mature attitudes are examples of such behavior.
3. At all club functions, whether practice, meets, or social gatherings, we expect each coach, swimmer and parent to behave in such a way that their actions reflect positively on the team.
4. Disrespectful or destructive behavior will not be tolerated.
5. In swimming, all disqualification decisions made by referees are final, regardless of whether such decision was correct. If you have questions about a referee's ruling, please speak with your coach.
6. Coaches must balance what is best for any individual child with the needs of the team. Occasionally, an individual child's interest may need to be subordinate to the interests of the team. In such circumstances, parents and coaches should help swimmers understand the dynamics of team competition.
7. Parents who have comments, concerns or complaints over coaching philosophy or technique should discuss them with their child's coach directly. Alternatively, parents who have concerns about an assistant coach may discuss them with their club's head coach.
8. Any parent or swimmer who has a serious grievance with a coach, another swimmer or parent, or anyone affiliated with GMMO should follow an orderly protocol by first bringing the grievance to their member club General Manager who will resolve the matter or present the grievance to the appropriate committee.
9. A swimmer who does not abide by the GMMO Code of Conduct may be restricted from GMMO events. Swimmers may also be restricted from GMMO events if their parent(s) does not abide by the GMMO Code of Conduct. Any such action will be up to the discretion of the appropriate GMMO Member's club.
